

ENDNOTE (See chapter 3, page 17, under heading "Shame"):

[1] While I quote Dan Allender several times throughout *A Shattered Heart*, I have some qualms about how closely tied he may be to some people in the more moderate to liberal side of the "Emergent Church Movement." I don't know all of where Allender stands theologically on some Emergent Church Movement issues, but I'm keeping these quotes in my book not necessarily because I would agree with all of his theology, but because of his insight into certain issues. I would also add the same sort of caution and declaration about my quotation of Henri Nouwen and his Catholic theology.
